Special Format Courses

In all degree programs, a limit of 12 units is placed on workshops, independent study, travel and study, directed reading or other special format courses.

Application for Graduation

The request for graduation review (“graduation application”) for a degree or certificate is submitted by the student to the Graduation Office by the published deadline. Instructions on how to apply for graduation, as well as general graduation application information can be found at www.towson.edu/registrar/graduation/.

Graduation applications received after the deadline will be handled on a case-by-case basis by the Graduation Office. Students who do not complete requirements for graduation must submit a new application during the term in which graduation is intended. A student must be accepted into a degree or certificate program PRIOR to applying for graduation.

Time Limitation for Completion of Degree, Certificate Requirements

All requirements for a certificate or master’s degree must be completed within a seven-year period. All requirements for terminal or doctoral degrees must be completed within a 10-year period. The seven- and 10-year time clock begins with the earliest course applied toward the degree program. Post-baccalaureate certificates must be conferred prior to or at the same time as any corresponding degree that shares the same course work; post-baccalaureate certificates cannot be conferred after any corresponding degree that shares the same course work.
