The English Language Center offers intensive English instruction to students who are preparing for admission to the university or for international and permanent resident students who want to further develop their English skills. The center also welcomes individuals who are not preparing for university study but who wish to improve their language skills for employment purposes. Courses are designed to develop a student's speaking, listening, reading and writing skills.

The ESOL program offers ESOL sections of ENGL 102 and ESOL courses. The ESOL testing coordinator tests non-native speakers of English admitted to the university who scored below 100 on the iBT TOEFL and places them into either ENGL 102 or ESOL courses.
