## Para transit Information

Phone: 410-704-RIDE (7433)  
Email: [uride@towson.edu](mailto:uride@towson.edu)

Para transit service is provided to students who are registered with Accessibility and Disability Services (ADS) or faculty/staff registered with Office of Human Resources. The service offers on-campus scheduled pick-ups to all faculty, staff, students and campus guests with certified Para transit needs.

## Parking & Transportation Information

All motor vehicles, except those parked at short-term parking meters, are required to have a valid TU parking permit if they will be parked on campus from 6 a.m.–8 p.m., Monday–Thursday, and from 6 a.m.–3 p.m. on Fridays. A License Plate Recognition (LPR) system is used for parking enforcement. This system reads license plates and verifies there is a valid permit associated with that plate. As such all permit holders must ensure they have their accurate and complete license plate(s) registered with the department. Vehicles in violation of the regulations may be ticketed and/or towed at the owner's expense. Parking restrictions may apply based on enrollment status. For information regarding permit rates, purchasing options and parking restrictions, please visit our website.

Visitors to campus are required to purchase an hourly or one-day Visitors' Parking Permit from a pay station at a designated visitor location or through the pay by phone app. Those visitors participating in official Admissions tours should follow the directions regarding parking provided by Admissions. For more information regarding the pay by phone app, please visit our website.

TU provides both on-campus and off-campus shuttles to transport students, faculty and staff to various locations on and around the campus. TU shuttles operate during the regular academic terms when the campus is open. Campus shuttles operate on an abbreviated schedule during the winter break and summer. There is no fee to ride any shuttle; however, a valid TU OneCard ID must be presented to ride off-campus shuttles. To view shuttle schedules and routes or to obtain more information, please visit [TUTIGERRIDE.com](http://TUTIGERRIDE.com).
