### OTS Training

OTS Training offers free workshops and training on technology topics such as Office 365. Visit the OTS Training webpage ([http://www.towson.edu/otstraining](http://www.towson.edu/otstraining)) to access 180+ self-help training documents, and 100+ video tutorials on technology related topics, including our biweekly Computer Therapy series via YouTube ([https://www.youtube.com/playlist?list=PLxqZTEhnn8uagw3BlbnTayeqH8hRS6To](https://www.youtube.com/playlist?list=PLxqZTEhnn8uagw3BlbnTayeqH8hRS6To)). We offer one-on-one sessions for students, or customized group training for student organizations where we bring the training - and laptops - to you. Email us directly (training@towson.edu?subject=Customized Training Sessions) to schedule a workshop.

### Residential Network and Television

SCS provides support for The Towson University Residential Network (ResNet) ([https://www.towson.edu/resnet/](https://www.towson.edu/resnet/)), TV services ([https://www.towson.edu/studentlife/housing/campus/reshallxfinity.html](https://www.towson.edu/studentlife/housing/campus/reshallxfinity.html)) and XFINITY on Campus ([https://xfinityoncampus.com](https://xfinityoncampus.com)) in the University-supported residence halls.

### TU NetID

Your NetID ([http://www.towson.edu/netid](http://www.towson.edu/netid)) is a user-specific ID that grants access to Towson University resources, like your financial information and grades, and it should be kept confidential. Do not share it with anyone! No one at Towson University will ever ask for your NetID password so be cautious of "phishing" emails asking you to enter your NetID password. Visit the phishing ([https://www.towson.edu/technology/security/phishing.html](https://www.towson.edu/technology/security/phishing.html)) web page for more information.
