SPECIAL ADMISSION PROGRAMS

Early High School Graduates
Early admission enables a limited number of students to be admitted and to matriculate immediately following the completion of their junior year in high school. Students interested in early admission should apply through the freshmen application process. Their applications, however, must be accompanied by a letter of recommendation from either the high school counselor or principal. An official high school transcript should be submitted along with the results of the SAT or ACT. An interview with University Admissions may be required.

On-Campus Interviews
Personal interviews are not required and are not used as a criterion for admission.
