Learning Outcomes Profile of a CBE Graduate

As a premier school of applied business learning, the College of Business and Economics prepares its graduates to achieve excellence in their professional careers. Rigorous academic studies and hands-on business experience—all subject to strict measures of performance—work in combination to **develop** the foundation for success, **connect** students with the professional community and **transform** students who will have a positive impact in and beyond Maryland.

Graduates of Towson University's College of Business and Economics will:

Apply Business Knowledge in the Context of Professional Employment

- Demonstrate knowledge of business concepts and theories
- Successfully complete a quality, mentored, reflective professional experience in preparation for future employment

Communicate Properly and Effectively

- Write professional documents that provide audience-centric content, rhetorically appropriate organization and follow accepted conventions of design, style, grammar, punctuation and mechanics
- Make articulate and persuasive oral presentations

Apply Critical Thinking and Problem-Solving Skills to Organizational Decision Making

- Conduct internal and external analyses of domestic and global organizations, formulate strategies and identify issues with implementing these strategies
- Practice creative ideation
- Develop comprehensive, justified conclusions that result from systematic application of relevant information and decision criteria to decision alternatives within a realistic organizational decision context

Use Technology Effectively in Business Settings

- Demonstrate competency in the use of analytical software
- Utilize state-of-the-practice software for business applications

Work Effectively Toward Achieving Common Goals within Diverse Teams

- Guide teams, as leaders and followers, to achieve team goals while maintaining group cohesion, follower satisfaction and efficient operations
- Treat others with respect and show sensitivity to their views, values, cultures and customs

Distinguish Between Ethical and Unethical Conduct in the Professional Lives

- Explain how ethical conduct of managers affects individuals' motivation and organizations' performance
- Apply ethics in business decision-making, considering the impact of ethical conduct on multiple stakeholders
