Mission Statement

The department is committed to an excellent economics education built on a comprehensive liberal arts foundation to enable graduates to excel as leaders in a dynamic business environment and/or a career in public service by means of individualized student advising, professional work experience, teaching excellence, and commitment to the highest academic and ethical standards.

Distinctive Features

Maryland Council on Economic Education (MCEE)

Council President: Tony DeGeorge, Symantec
Council Executive Director: Mary Ann Hewitt
Associate Executive Director: Debbie Batchelor

The MCEE is an affiliate of the University Advancement Division, and is responsible for increasing the quality and quantity of economics taught in Maryland schools and the general community.

Center for Economic Education

The Center for Economic Education is responsible for consulting with educational and community organizations; developing economic education materials; improving economics instructional programs; and conducting research in economic education. The CEE has received multiple Student Recognition Awards, including the Federal Reserve Bank Excellence Award; J.J. German Scholarship; Catherine Britt Memorial Scholarship; Economics Society; and Omicron Delta Epsilon—The International Economics Honor Society.

Departmental Honors in Economics

Students majoring in Economics are eligible to apply to the Departmental Honors Program if they have a 3.25 cumulative GPA, a 3.50 GPA in economics classes, and the consent of a faculty thesis adviser. Students interested in Departmental Honors should obtain the application form from the department chair or honors coordinator before the end of their junior year. Honors in Economics requires 36 units in economics (18 required units, 9 units of ECON electives, and 9 units required for Honors). The 9-unit requirement for Departmental Honors includes:

2 The thesis must be presented orally to the Thesis Committee at a public colloquium.

Honors are designated on the graduate's transcript and diploma.

Requirements for Admission to the Business Administration Major

Students are admitted to the major in Business Administration (BUAD) after first being admitted to the university. Admission to the university does not guarantee admission to the major. In order to be admitted, students must satisfy the following requirements:

1. Formal admission to TU as a degree candidate
2. Cumulative GPA of 2.00 or higher for all course work
3. Grade equivalent of 2.00 or higher in each course required for admission to the BUAD major.

4. Minimum average GPA of 2.70 for ALL of the courses required for admission to the BUAD major:
   - ACCT 201
   - ECON 201
   - ECON 202
   - ECON 205
   - MATH 211 or MATH 273
   - LEGL 225

   No more than two courses may be repeated, of which no more than one course may be repeated twice.

Degree candidates intending to major in Business Administration are designated as “pre-Business Administration” (PBUA) until admission into the BUAD major. Students are required to meet each term with their assigned faculty adviser to evaluate their progress toward completing the requirements for admission to the major and the degree.

At the start of each term and before registration, the CBE Student Academic and Career Services office will notify PBUA students of their admission status by email to their Towson email addresses. Students who take upper-level “majors-only” CBE courses before being admitted to the Business Administration major do so at their own risk.
