Programs of the Department

The Department of Educational Technology and Literacy is responsible for courses that are not limited to a single teacher education program. The education course listings include Core Curriculum courses that provide knowledge and skills for general application in teaching and training areas. The instructional technology program offerings also have PreK-12 applications.

The department coordinates the graduate programs in Instructional Technology:

- Instructional Technology (M.S.)
- Instructional Technology (Ed.D)
- Instructional Design and Development (PBC)

See the *Graduate Catalog* for details.
