

YOUR AWARD GUIDE

Students who accept aid offers must read our online Financial Aid Award Guide (<https://www.towson.edu/admissions/financialaid/guide>).

Online To-Do List and Email Accounts

The Financial Aid Office communicates with all aid application task requests through students' Towson University email accounts and their Towson Online Services To-Do Lists. All aid applicants should check their To-Do Lists at least weekly to ensure prompt response to all requests.

All aid applicants and recipients must maintain active Towson University email accounts to ensure that they receive important aid emails.
