PROGRAMS OF THE DEPARTMENT
The Towson University Department of Dance advocates Dancing for a Lifetime by challenging students to examine and refine their approaches to the arts of dancing, choreography, and dance education. Students in the Bachelor of Fine Arts program in dance are expected to develop the knowledge, skills, concepts and sensitivities essential to the artist in the field of dance. To fulfill various professional responsibilities, the dance artist must exhibit not only technique competence, but also broad knowledge of dance and dance repertory, the ability to integrate dance-related knowledge and skills, sensitivity to dance and musical styles, and an insight into the role of dance intellectual, education, and cultural life.

B.F.A. majors in dance adhere to rigorous standards for merging technique with performance by maintaining a state of mind and body that is focused, purposeful and appropriately nuanced with expression. Majors learn a variety of approaches for taking dances from the studio to the stage that are somatically sound, choreographically consistent, and artistically excellent.

Towson University is accredited by the National Association of Schools of Dance (NASD) since 1984. It fulfills a state and national need for dance performers, choreographers and teachers trained in 21st-century skills. National and international artists bring their choreography and pedagogical practices as faculty and guest artists to prepare dancers for a lifetime of dancing.

As stated in the NASD Standards for Accreditation Handbook 2006: page 41 VIII.A.2 Purpose for all Professional Baccalaureate Degrees in Dance: “B.F.A. Students enrolled in professional undergraduate degrees in dance are expected to develop the knowledge, skills, concepts and sensitivities essential to the artist in the field of dance. To fulfill various professional responsibilities, the dance artist must exhibit not only technique competence, but also broad knowledge of dance and dance repertory, the ability to integrate dance-related knowledge and skills, sensitivity to dance and musical styles, and an insight into the role of dance intellectual, education and cultural alike.”

Auditioned Dance majors may elect to take courses that will enable them to meet university, college and Maryland teacher certification requirements in the PreK-12 Dance Education Concentration.

The Department of Dance offers opportunities in leadership, entrepreneurial partnerships, internships, honors programs, national honors and service programs.

TRANSFER CREDIT POLICY
Students transferring from other institutions must complete a minimum of 20 units of their dance course requirements at Towson University.

Most students take three years to complete the BFA Dance program after transferring to Towson University.

SCHOLARSHIPS
To qualify for a dance recruitment scholarship, or for a COFAC Dean’s scholarship, students must successfully pass the pre-dance audition, be accepted into the major, be full-time Dance majors, and be nominated by a dance faculty member.
