

MINOR IN MUSIC TECHNOLOGY

The Minor in Music Technology requires 20 units. Music Technology minors are required to have a department adviser to assist with building meaningful schedules. Students who intend to minor in Music Technology are advised to so declare no later than the fourth term. It ordinarily requires four or more terms to complete the minor. This is a screened minor; acceptance to the Music Technology minor requires a portfolio review and interview. Contact the music office for application and submission instructions. Music Technology minors must complete a minimum of 12 units in the minor at Towson University. At least 6 units in this minor must be completed at the upper level (300- or 400-level courses).
