

ALLIED HEALTH - HEALTH PROMOTION, WELLNESS, PREVENTION & COMMUNITY HEALTH EDUCATION TRACK

Program Requirements

The Allied Health degree program requires the completion of a minimum of 120 units. Lower-division courses from your community college will be applied, as appropriate, up to a maximum of 64 units. A minimum of 32 units must be in upper-division courses at Towson University. The final 30 units must be taken at Towson University. The overall program structure follows.

Core Curriculum Requirements

Students must complete Towson University's Core Curriculum requirements as specified in this catalog. In general, a graduate from one of the Maryland community college associate's degree programs included in the Allied Health Program will need to complete several Core Curriculum courses in addition to those that are transferred. Some of the required Core Curriculum courses will be satisfied through program core and track requirements.

Required Courses (18 units)

All students must complete 18 units of required courses in the program. Courses are available online.

Code	Title	Units
HLTH 207	HEALTH CARE IN THE U.S.	3

Total Units 18

¹ May be taken online.

Suggested Plan of Study

Based on course availability and student needs and preferences, the selected sequences will probably vary from those presented below. Students should consult with their adviser to make the most appropriate elective choices.

*Students must also complete Towson University's Core Curriculum requirements, many of which will be done at the community college before transferring to the Allied Health program at TU. Consult with your adviser to determine which Core requirements are left to complete.

**Additional courses may be needed to meet university requirements.
