MINOR IN CULTURAL STUDIES

The minor in Cultural Studies is designed to enhance and supplement students' studies in a number of other areas, including anthropology, education, English and mass communication. In these areas of study, the fundamental questions posed by cultural studies give students a broader, more critical look at the interactions between their fields of study and society as a whole. These courses may also provide a useful complement to any undergraduate program of study.

Requirements

Students minoring in Cultural Studies must complete 18 units, including the introductory course (3 units), the methodology course (3 units), two from required courses list, and two electives (6 units), one of which must be upper-division.
