The university issues a photo I.D. card to students, faculty and staff called the OneCard. The initial OneCard is free and does not have to be renewed. Students should keep the OneCard with them since it is necessary for using services at Cook Library, the Burdick Fitness Center and athletic facilities. The OneCard can also be used as a debit card. A Retail Points account, accessed through the OneCard can be used to purchase books, supplies and gift items at the University Store. A student can use the same Retail Points account on vending machines, washers and dryers, Copies Plus, WEPA print kiosks, Health Center, various off-campus merchants and the Auxiliary Services Business Office. Additionally, the OneCard can be used for discount food purchases through use of a Dining Points account. Students save 6 percent sales tax on food purchased using Dining Points at all Dining Services locations. Students with a dining plan will use the card for access to the dining halls. A student's dining plan account information can be accessed through the OneCard website. The OneCard provides access to some residence halls and academic labs. Students may also use the OneCard for complimentary access to many athletic and entertainment events. You can manage your OneCard account online (<http://onecard.towson.edu>).
