Student Activities is the central hub for special events, services and resources devoted to enriching the student experience. Located in the University Union, we are the place to go for students looking to get involved outside of the classroom.

We’re committed to preparing our students to become well-rounded and actively engaged graduates of Towson University. Our department offers a wide array of educational, cultural, social and recreational programming. We offer experiences and opportunities within the areas of campus programming, leadership development, and student organization support.

At Student Activities, we focus our efforts to foster academic success and personal growth, provide new and diverse opportunities, connect students with supportive role models and create positive, fun-filled memories.

**Clubs and Organizations**

One of the best ways to experience college life is to get involved. At Towson University, you have countless opportunities to interact with people who have the same interests and passions. With over 250 student groups that range from academic and professional, arts, cultural, fraternities and sororities, honor and recognition, political, religious, media and a variety of special interest groups, you have plenty of opportunities to get involved on campus. At the beginning of each term, an involvement fair is held to showcase what student organizations we have on campus and allow students to interact with members, ask questions, when meetings are held, and how to join. To view a complete list of TU’s student organizations and clubs, visit towson.edu/involvedtu.

**Involvement in campus clubs and organizations offers many opportunities for developing leadership skills; however, certain academic criteria are required of leaders. Therefore, student officers, senators and directors of any university-sanctioned activity must have and maintain through their term of office a minimum 2.00 cumulative GPA. (This excludes first-term students who do not have a Towson University GPA.) Students who do not have a cumulative 2.00 GPA will not be allowed to assume office; students whose cumulative GPA falls below 2.00 during their term of office must resign. In addition, students not regularly attending classes may be asked to relinquish their leadership positions.**

**Campus Activities Board (CAB)**

CAB is the programming branch of the Student Government Association. Student leaders plan and execute the events on campus, including concerts, bingo, comedians, magicians, casino nights, and more! CAB oversees the largest event of the year- Tigerfest weekend in April which includes a large carnival featuring music, freebies, and food trucks on Friday and a large concert in the arena on Saturday.

**Student Government Association (SGA)**

The SGA is dedicated to improving students’ academic, social and cultural environments while hearing students concerns. Upon enrolling at Towson University, all students become members of the Student Government Association. This is the primary organization which represents all students in planning, organizing and directing student organizations and programs on campus. The SGA supports and helps fund eligible student organizations that provide students with a variety of experiences while on campus. The Student Government Association also works jointly with the faculty and administration in certain designated areas of governance of TU.

**Leadership Development**

Leadership development is a cornerstone of the Towson University student experience. We believe that leadership is not about being in charge; it is about your integrity, your self-awareness and your vision for creating change well beyond the classroom.

TU has developed many leadership experiences designed to develop civically engaged and self-aware students who possess the skills necessary to create positive change at Towson University and in the greater global community. The iLEAD (Initiatives for Leadership Education and Development) program encourages growth and development through workshops, guest speakers, certificate programs, leadership consultants and conferences.
