OTS Training (https://www.towson.edu/technology/training/events.html) offers free workshops and training on technology topics such as Office 365. Visit the OTS Training webpage (http://www.towson.edu/otstraining) to access 180+ self-help training documents, and 100+ video tutorials on technology related topics, including our biweekly Computer Therapy series via YouTube (https://www.youtube.com/playlist?list=PLxqZTEhnBuagw3B1bnTayeq8BHbRtS6Tc). We offer one-on-one sessions for students, or customized group training for student organizations where we bring the training - and laptops - to you. Email us directly (training@towson.edu?subject=Customized Training Sessions) to schedule a workshop.
