The Greek community at Towson University consists of over 40+ chapters and five governing councils: the Interfraternity Council, National Pan-Hellenic Council, Panhellenic Association, Multicultural Greek Council and Independent Greek Council. Membership in a fraternity or sorority provides an on-campus support network for students. Leadership development, academics, diversity, civility, career skills and service are the focus. Through chapter involvement, members learn about group dynamics, communication skills, time management and serving others.
